## Hospice of Santa Barbara

The organization is seeking volunteers for its "I Have a Friend" Mentor Program. A mentor volunteer is an adult who, as a child, suffered the loss of a parent or sibling. Mentors are trained and matched with children who have recently suffered a similar loss. The mentor volunteer training session begins on March 3. Dinner will be included during the six-week training from 6 to 9 p.m. once a week at Hospice of Santa Barbara. Pre-registration is required. For more information, call Joy Janssen at 563-8820. Applications are also available online at [www.hospiceofsantabarbara.org/volunteer.php](http://www.hospiceofsantabarbara.org/volunteer.php).
